1. Since 1947 important fortifications have been constructed in the region of Memel (55-43 N, 21-06 E). Since April 1948 the Memel coast has been forbidden to fisherman.
2. Eight km north of Memel and three km east of the Memel-Palanga road rocket launching platforms have been built. These have been constructed since October 1948 by a group of specialists from Baltiski Port which included German technicians.
3. Along the coast, at distances from 0.8 km to 2 km, are submarine detection installations.
